

# Barrier Basket

For instant impact and significant labour savings, Barrier Baskets are the answer!

## Barrier Basket

For instant impact and significant labour savings, Barrier Baskets are the answer!

Robust anti-vandal trough designed to withstand the harshest environments. Fully adjustable, galvanized brackets makes installation easier and more efficient and the removable and reusable liner allows for rapid, economical exchange of seasonal displays.

Built in 25 litre reservoir to conserve water, eliminating the need for daily watering and reduces routine maintenance costs.

**The best way to turn those ugly railings into an asset!**
